ON KĀRTTIKEYA

Dr. Upendra Thakur

Crown 8vo. Plates 43 1980 Plastic Jacket Rs. 100-00

Although some work have been done on the iconography of Kārttikeya, this is for the first time that a comprehensive study has been made by the eminent historian on the various aspects of Kārttikeya, the famous war god, who occupies an important place among the various gods and goddesses of pantheon. The different aspects discussed in this book are as follows:

I. In Literature, II. In Epigraphs, III. On Coins, IV- In Art, V. Beyond the Frontiers of India

The most interesting aspect of this book is that for the first time an attempt has been made to determine the place of Kārttikeya beyond the frontiers of India where he was no less worshipped.

Written in a very lucid and scintillating style the book contains all the information that one should have about this war-god and will serve for long as a guide book to the researchers in the field. Library Edition Rs. 125-00

Outstanding Series of Sanskrit Works

Sanskrit Literature has been exercising great influence not only upon the thought of the whole of Asia, but also directly or indirectly upon that of the entire civilised mankind.

The western savants started taking keen interest in study of Sanskrit in early nineteenth century. Britain established East India College and promoted study of Sanskrit. William Jones was well versed in Sanskrit. Colebrooke, Edwin, Macdonell, Rapson, Stien followed the path of undertaking serious Sanskrit study. The list of western scholars is too long to be accomodated in this short space. This showed their interest in Sanskrit literature.

Rousing of such consciousness towards study of oriental literature resulted into natural demand of critical editions of the treatises of Sanskrit on one hand and their paucity in the market prompted the institutions to take up the challenge in right earnest on the other. The stupendous work was taken up by other agencies also who issued their editions in the form of Series. The Chaukhambha Orientalia is still holding the same line of standard and is devoting itself in publication as well as collection of the rarest and valuable publications for the use of great scholars.

It is a good testimony that most of the works af these series are now unavailable and their reprints are not undertaken to honour the demand. Therefore, it is with great pains that C. O. have been able to collect almost complete sets of each of these series and are in a position to offer them for sale. Any library having complete sets of all these series can be proud of the authentic editions of almost all the sanskrit works that matter.

A list of seveval series with their volumes etc. is given below :

ANY PARTICULAR VOLUME OR NUMBER OF ANY SERIES MAY ALSO BE HAD SEPARATELY PROVIDED THEY ARE AVAILABLE.

Tradition of Mīmāṁsā study had been dying out in this part of country since long. Recently a few savants came out to resolve the difficulty of the scholars on this account. In this book, the author has brought out in a clear and lucid manner the deeper implications of some of the most important topics of the Pūrva Mīmāṁsā. Entire study is divided into three chapters : 1. Pūrva Mīmāṁsā and Uttara Mīmāṁsā, 2. Pramā and Pramāṇa, 3. Ātman, God, Liberation. Deliberations on these chapters particularly on God, Ātman and liberation have been eloquent testimony to the critical acumen and rare power of evaluation of topics of a complex nature. In the last, the author has shown application of Pūrva Mīmāṁsā maxlms to the Hindu Law.

Dr. G. N. Jha improved the understanding of scholars and gave much valuable information on Prabhākara and Kumārila Schools. Indeed he went steps forward the study of Colebrooke's essay on Mīmāṁsā. Present author has ventured to push forward further the study of four principal tenets of this school.

सुश्रुतसंहिता आयुर्वेद का एक उपजीव्य आधारग्रन्थ है। इस पर डल्हणाचार्यकृत निबन्धसंग्रह व्याख्या सर्वतः प्रामाणिक तथा प्रचलित मानी जाती है। गयदासकृत न्यायचन्द्रिका भी महत्त्वपूर्ण व्याख्या है। किन्तु चिरकाल से ये दोनों व्याख्यायें अप्राप्य हो गई थीं जिससे सुधीसमाज को बड़ी कठिनाई का अनुभव करना पड़ रहा था। प्रसन्नता का विषय है कि यह चिरप्रतीक्षित संस्करण जिज्ञासुजनों की कठिनाई को दूर करने के लिए प्रकाशित किया गया है। आशा है, विद्वत्समाज इसे अपना कर प्राचीन ज्ञान के प्रचार-प्रसार में सहायक होगा। कपड़ा जिल्द (१९८०) २००-००
